### December 1, 2018—Painting Your Wood Carvings

This class is for beginners who want to learn how to finish a wood carving project with ARTIST ACRYLIC tube paint. We will go over the process step by step, which will include some short dry times.... there is nothing quite as fascinating as watching paint dry!

We will learn: How to begin, properly thinning paint, mixing colors with the primaries and a few others, blending techniques, antiquing and how to seal your project when dry.

Please bring a carving to paint: Bottle Stopper heads, Santas, Caricature carvings, and anything similar to that. If you're questioning if it's "okay" to bring something, feel free to message me and ask! Please register for this class at In the Chips, so they know how many to plan for.

For all other questions: [rhonda.smith00@yahoo.com](mailto:rhonda.smith00@yahoo.com) or cell phone: 218-839-4259.

I will be providing art supplies, but if you have a few favorite brushes you can bring them along. There will be a \$5.00 supply fee.

Minimum of 6 people, maximum of 12.

The fee is \$30.00 per student payable to the Red River Valley Woodcarvers. The class materials can be purchased from the instructor.

Lunch will not be provided but there are many venues available in the area.
