**BELLAMY-STYLE EAGLE**  
**May 2 - 4 9:00 am - 4:30 pm**  
**Fee: \$150.00 (includes cutout)**  
This class will be a Bellamy-Style Eagle. The carving will be two pieces of Butternut wood. The wings are 36" long, 6" wide and about 1 3/8" thick. The wood will be clamped to a table and carved using long handled tools and a mallet. The head/neck is carved with short and long handled tools.  
The class is set up for three days of carving, but if you can't carve all days, you can get much done in two days.  
Bring what you have for long and short handled tools. We have many extra sets of tools available for use in this class, so please don't let the tools needed be of any concern. This is an excellent class for you to try your hand at mallet carving.  
Limit of 12 students.

**Fee: \$10.00**  
We will be offering a beginning woodcarving class for adults 18 and older, with no carving experience. **Limited to 12 students.**  
This class is sponsored, in part, by the Red River Valley Woodcarvers and grants, in hopes others will experience the same joy in woodcarving that we have.

**CROSS-STITCH ON WOOD**  
**May 3 - 4 9:00 am - 12:00 pm**  
**Fee: \$50 (includes supplies)**  
Welcome to cross-stitch on wood! You will be cross-stitching with a twist - instead of using embroidery floss on fabric, you will be working with a wood background. Each blank comes pre-drilled to ensure everyone finishes their project.  
You will be provided with a small and medium starting blank of your choice, embroidery floss for those blanks, needles, glue, sealer, and loaner clamps.  
Special design requests will be accepted until early April, but the earlier the better.  
No cross-stitching experience necessary.
